### About the American Guild of Organist...

The mission of the American Guild of Organists is to enrich lives through organ and choral music. The guild serves approximately 15,500 members in more than 300 chapters throughout the US and abroad. Founded in 1896 as both an educational and service organization, the Guild seeks to set and maintain high musical standards and to promote understanding and appreciation of all aspects of organ and choral music.

### About the Band...

The band was founded in 1995 with the purpose of providing musical entertainment for the Northwest Arkansas community using the unique sound of a British style brass band. The band is composed entirely of highly proficient musicians who volunteer their time and service to share the joy of music.
